Her Rheumatism Has Entirely Disappeared

The successful treatment of rheumatism by taking Tanlac, is one of the outstanding features of that remarkable medicine. Thousands of people everywhere have testified that it has brought them complete relief from this tortuous disease. Mrs. M. Hickey, of 1313 Milburn Ave., Toledo, Ohio, says:

"For seven years I was in a very weak, run-down condition, but my worst trouble was rheumatism which was so bad I could hardly walk. Tanlac built up my whole system wonderfully and I hardly notice any rheumatic pains any more; in fact, I feel better than I have in years."

When the digestive system, liver and kidneys are not working properly, uric acid and other impurities accumulate in the muscles and joints, causing rheumatism. Tanlac quickly overcomes this condition by enabling the vital organs to perform their functions properly. Get a bottle today, at any good druggist.

Madison County Negro In Bad In Lexington Again
 The Lexington Leader had this Sunday about a former Madison County negro: Cornelius Ballard, negro, 161 Green street, was arrested about 10 o'clock Saturday night at his home by Lieutenant Austin Price, Detectives Veal and Maloney and Patrolman Jellison and Harizan, who surrounded the house and captured the man. He was arrested on a warrant charging him with forgery sworn out by David Biggers, 347 Bryan avenue. Ballard is said to be the Cornelius Ballard, who has achieved considerable notoriety recently as the man who "forged his way into prison and forged his way out." The letter which obtained his pardon, from Governor Morrow, was a forgery purporting to be from the chief prosecuting witness in the case.

Blackheaded Pimples Quit With S. S. S.

Why? Pimple-Poison Goes When Red-Blood-Cells Increase! S. S. S. Builds These Red-Blood-Cells.
 You can be sure of this, nature has no substitute for red-blood-cells. Pimple-poison can't live in the red rivers of your blood as long as there are enough rich red-blood-cells in it. More red-blood-cells!

Mr. and Mrs. James Gibson of Lexington spent Sunday here. Neale Bennett, Jr., of Middlesboro, spent the week-end with his parents, Mr. and Mrs. W. Bennett in West Main street.

The shame of a blemished face!
 That is what you need when you see pimple staring at you in the mirror. Black-headed pimples are worse! Eczema is worse yet! You can try everything under the sun—you'll find only one answer, more cell-power in your blood! The tremendous results, produced by an increase in red-blood-cells is one of the A. B. C.'s of medical science. Red-cells mean clear, pure rich blood. They mean nerve power, because all your nerves are fed by your blood. They mean freedom forever from pimples, from the blackhead, from boils, from eczema and skin eruptions, from rheumatism impurities, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1826, as one of the greatest blood-builders, blood-purifiers and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.
